

- HACKOTHSAV is open to all B.E. / B.Tech. / BCA / MCA students.
- It is a software-based hackathon.
- Teams must have a minimum of 2 members or a maximum of 5 Members.
- The two broad areas for this event are “Societal Impact” and “Business Oriented”. Teams must choose a broad area during registration itself.
- Under each broad area, there will be one or more problem statements for Which teams have to come up with a solution and build a software-based Project within 48 hours.
- Problem statements under each broad area will be disclosed on the day of the hackathon.
- Every Team will be assigned to a mentor and are needed to submit their to their mentor in each phase.
- Teams may change their Broad Area after the announcement of the Problem Statements in each Broad Area.
- If any team needs to change their Broad Area, they need to send a mail to [hackothsav@sode-edu.in](mailto:hackothsav@sode-edu.in) within 1 Hour of the announcement of Problem Statements.
- Teams should build apps from scratch (Mobile App / Website / Desktop App). Teams can solve as many “Problem Statements” as desired (zero, one, Or multiple).
- Teams must do a minimum of 3 commits on GITHUB with a gap of 4 hours one day (24 hours).
- Phased evaluation will be at 4 stages. Timings will be 6 PM on 9<sup>th</sup> July, 10AM on 10<sup>th</sup> July, 6 PM on 10<sup>th</sup> July and 10 AM on 11<sup>th</sup> July.
- To be considered for the Final Evaluation – teams must submit their projects Sunday, July 11 at 10:00 AM IST. Any late project submissions will not be Accepted.
- The jury’s decision is final.
